TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lots for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in the catalogue. This guarantee holds good indefinitely.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Saturday, September 28, 1912.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

LARE COPPER CENTS.

(Coined from 1793 to 1857. None coined in 1816.)

NOTE: The following collections of large cents include some very choice specimens. Every coin has been carefully examined, and I have catalogued them as fairly as possible. Where a coin is rated as "fine" it is strictly fine and not "very good." I realize the great interest displayed in the collecting of large cents and I feel confident that the purchasers of any of the following coins will find them just as described. Of course, my usual guarantee of absolute satisfaction goes with each lot of this sale.

- 426 1793 Chain variety. Rev. AMERI. instead of AMERICA. Vine and bars on edge. Lower portion of obv. weak, but everything shows. Rev. very good. Very rare.

GEORGIA GOLD COINS.

- 978 \$2.50 Obv., large 2.50, around Bechtler Rutherford; Rev. Georgia Gold, 64 G, 22 Carats. Variety with "fallen" 2. Raised borders, plain edge. Numerous small nicks and dents on both sides, but none very deep or serious. All letters not perfect. While this very rare coin is not worth its record price of about \$75, it is an acceptable specimen to the collector who wants a specimen of this rarity and is only willing to invest a small amount.
- 979 \$5.00 GEORGIA GOLD, 128 G, 22 Carats. Rev. C. Bechtler at Rutherford. 5 Dollars. The coin has been very skillfully plugged and letters re-engraved, in fact, it has been retouched all around, having had nicks and scratches polished off, but by so doing its weight has been reduced 8 grains. It is, however, a very good coin in appearance, and would undoubtedly be appreciated by the average collector.

NOTE: The value of the Half Eagles between 1818 and 1834 have not been duly appreciated by the collectors. Their value is far above their present records. They are all excessively rare and as it will be readily noted, they have more than doubled in value in the past few years. Also, they have been offered only in the very largest collections. Even the Cowell and Griffith collections and others did not contain a single specimen of the U. S. Half Eagles dated in the 20's.

ALL WHO WISH TO SELL

Are invited to correspond with me before making definite arrangements. I believe I can offer you facilities and terms that will compare most favorably with those of any market.

My sales are always successful, and results most satisfactory to the owners. I do everything that is possible to make every sale a success, and I do it intelligently, persistently and honestly.

I make no flagrant promises. I will tell you honestly whether or not it will pay you to offer your collection at auction, as some collections will not realize satisfactory returns at auction.

You do not in any way obligate yourself in writing me for my terms.

Liberal amounts of money advanced on auction consignments.
Always glad to serve you.

A large, elegant handwritten signature in dark ink, reading "Paul M. Allen".
